The proposals made herein embody the results of repeated discussions with the Senior Surgeon and the members of the City Municipal Council Bangalore, who have approved of them. The Local Boards and Medical Branches of the Govt. have no objection to them either. The proposals do not involve any extra Expenditure. But a re-adjustment within the available amount is suggested. But even this is considered objectionable by the Hon'ble, who says that all the reductions proposed may be approved, while the increases suggested since the disapproved. This is yet another case where Govt. retrenchment has been defeated by Govt. Both the increases and the decreases

The services proposed to the Staff of the Ayurvedic College are very necessary and it was for the purpose of providing for such increase, that the reduction in some other heads of expenditure was suggested. I request that the proposals may be sanctioned in toto.

If this is not practicable I beg permission to withdraw my proposals for the Staff being maintained in this event, I request sanction to the appointment with a view to fill up an existing vacancy of Mr Krishnamurthi, Civil Assistant Surgeon, as Principal of the Ayurvedic College and Superintendent of Infectious Hospital, Ayurvedic Wards on the existing rate

I do not think it is fair to accept the deductions & reject the proposed enhancements. If however this is considered unacceptable in view of the present financial position, I would support the recommendation made on behalf of Mr. Krishnaswamy. Final Note by the Second Member of Council.

Subject:—

Re-organization of the Ayurvedic College and the Ayurvedic Branch of the Indigenous Dispensary, Mysore City.

The retirement of Mr. S. Venkoba Rao, Headmaster of the Ayurvedic College and Superintendent of the Ayurvedic Branch of the Indigenous Dispensary was ordered in Government Proceedings No.G. 24175-6/Med.4-20-44 dated 11th June 1921.

2. The Ayurvedic College is a Government Institution under the control of the Muzrai Superintendent and the Indigenous Dispensary, which consists of Ayurvedic and Unani branches, is maintained out of funds contributed by the Mysore City Municipal Council and the District Board. The management of the latter institution is vested in the Mysore City Municipal authorities.

3. To fill up the vacancy caused by the retirement of Mr. S. Venkoba Rao, the Senior Surgeon suggested the appointment of Mr.K. Krishna Iyengar, Sub Assistant Surgeon, as Headmaster of the College and Superintendent of the Dispensary on a pay of Rs.150-10-200/1, to be met out of the provision of Rs.200/- made in the Medical Budget for the appointment, and this has been agreed to by the Honorary President of the Mysore City Municipal Council and the Managing Committee of the College.

4. Opportunity was also availed of for revising the scale of pay of the establishments attached to the College and the Dispensary by utilizing certain amounts set free by the appointment of Mr. K. Krishna Iyengar. The proposals do not result in any increased expenditure to Government and involve only a re-adjustment of the existing grant. The Financial Secretary to Government, to whom the papers were sent, is, however, of opinion that the amount saved by

the abolition of some posts should be treated as retrenchments and not used for increasing the pay of other posts; notwithstanding that the re-adjustment does not throw any additional burden on the State finances.

5. The Muzrai Secretary states that both the increases and the decreases suggested by him were made in consultation with the Senior Surgeon, the President of the City Municipal Council and the College Committee and he requests that the proposals may be taken as a whole and either approved, or disapproved, in their entirety. He further states that the increases proposed to the staff of the College are very necessary and that, if the proposals cannot be sanctioned in toto he would rather withdraw them - with the exception of that relating to the appointment of Mr. K. Krishna Iyengar - and that in other respects the status quo may be maintained.

6. I am inclined to agree with the Muzrai Secretary. The proposals have to be considered as a whole and accepted, or rejected as such. It does not seem fair to accept the deductions and to reject the small enhancements proposed. Though this does not involve any additional expenditure, yet it was not acceptable to Sir M. Kantaraj Urs who, however, is agreeable to the recommendation on behalf of Mr. Krishna Iyengar. The Officiating Second Member of Council who is in charge of the Medical and the Local Boards Portfolios is also agreeable to the proposed appointment of Mr. Krishna Iyengar to which I now solicit His Highness' gracious approval.

7. The question of the re-organization of the Ayurvedic College will be further examined and the recommendation of the Council in that behalf submitted separately for His Highness' orders.

NOTE.

SUBJECT:- Re-organization of the Government Ayurvedic College and the Carnatic Branch of the Indigenous Hospital, - - Mysore.

---:0:---

Mr.S.Venkoba Rao, B.A., Head Master of the Ayurvedic College, Mysore, having -- been retired from service with effect from 1st July 1921, his place has to be filled up.

2. The Ayurvedic College started -- work on 1st January 1909. The late - - Mr.Kempa Rama Pandit was appointed Head-master in addition to his duties as Senior Pandit of the Indigenous Hospital. After his demise, Mr.S.Venkoba Rao, B.A., Apothecary, was appointed Superintendent of the Indigenous Hospital and Head-master of the Ayurvedic College on a pay of Rs.150-10-200/1 and an allowance of Rs.40/- a month, met from the Medical and Muzrai budgets, respectively. (vide G.O.No.5081-5/Mdl.50-12-3 dated 1st February 1913).

3. The Indigenous Hospital at Mysore has two branches - Carnatic and Unani and

16-11-21

is maintained out of funds contributed by the Municipal Council and the District -- Board and their management is vested in the City Municipal authorities. Mr.Venkoba -- Rao was not only the Head-master of the -- Ayurvedic College, but also Superintendent of the Indigenous Hospital.

4. It is necessary that one Medical Officer - preferably one acquainted with - the Ayurvedic system of medicine - should be in charge of these institutions, viz., the college and the dispensary.

5. The Senior Surgeon suggests that Mr.K.Krishna Iyengar, Sub-Assistant Surgeon may be appointed as principal of the Ayurvedic College and Superintendent of the -- Indigenous Hospital on a pay of Rs.100-10-200, to be met out of the provision of -- Rs.200/- made in the medical budget for the appointment and this has been agreed to by the Honorary President of the City Municipal Council, Mysore, and by the Committee appointed by Government for the management of the Ayurvedic College.

6. The following proposals have also been agreed to by all of them, viz., the Senior Surgeon, the President and the Committee:-

(a) A sum of Rs.40/- was being paid to Mr.S.Venkoba Rao as allowance from the funds of the Ayurvedic College but it is unnecessary to continue it to his successor. The pay of Rs.150-10-200 is sufficient for the present and the sum of

Rs.40/- saved as above may be utilized for improving the prospects of the college staff who in spite of the fact -- that they have been doing excellent work work have had no promotion since the -- establishment of the College in 1909.

The provision in the budget for expenditure in the College is Rs.170/- per mensem and this sum may be distributed as follows:-

Existing.			Proposed.			Remarks.
No.	Designation.	Pay.	No.	Designation.	Pay.	
1.	Allowance to Head-master.....	Rs. 40/-	1.	Senior Pandit. ...	50/-	Exclusive of the consolidated allowance recently sanctioned.
2.	Assistant Pandit....	25/-	2.	Second " ...	45/-	
3.	Lecturer.....	30/-	3.	Third " ...	35/-	
4.	Allowance to Assistant Surgeon.....	25/-	4.	Fourth " ...	25/-	
5.	Writer.....	20/-	5.	Peons 1(3)1(7). ...	15/-	
6.	Compounder.....	15/-		Total.Rs.	170/-	
7.	Peon...	8/-	(The 3rd and 4th pandits to attend to the duties of the Writer and the Compounder, respectively, in addition to other work under the direction of the Superintendent.)			
8.	Peon...	7/-				
	Total..Rs.	170/-				

As will be seen from the statement the increases which are well deserved do not result in any increased expenditure. They involve only a re-adjustment of the existing allotment.

(b) M.R.Venkataramaiya who has been -- working for the past 17 years as Assistant Pandit in the Indigenous Hospital on Rs.25/- has passed the Ayurvedic Examination held in 1902 in all the three groups and in Physiology and Anatomy in English and his work has -- been satisfactory. He may be given an increase of Rs.15/- and appointed as Pandit in charge of the Carnatic Branch of the Dispensary to work under the Superintendent. Formerly he was

Rama Pandit was the Senior Pandit of the Carnatic Branch on a pay of Rs.60/- per mensem. Since his death, the pay of -- the appointment has been brought under savings, no successor having been appointed. The duties of the Senior Pandit were being attended to by Mr.Venkoba Rao The increase proposed to Venkataramaiya may be met out of the sum of Rs.60/- so long as a Senior Pandit on Rs.60/- is not appointed and there is no immediate probability of any such appointment being made.

(c) T.Srinivasa Iyengar, Lecturer of the Ayurvedic College is also in charge of the Woodyard Ayurvedic Dispensary, -- Mysore. As it is not desirable that he should hold more than one appointment, he should be relieved of the latter -- office.

7. These proposals which are well considered may be kindly approved.

8. A statement showing the existing and the proposed scales of expenditure both as regards the Ayurvedic College and the -- Indigenous Hospital is appended.
